

Northamptonshire Amateur Swimming Association

(Affiliated to Swim England East Midlands Region)

2018 Grant Aid Application Notes

Funding is currently available to SwimMark Clubs for Safeguarding/Child Protection Courses.

Renewal £16.79 (see below)

New £25.00

Please ensure that any candidates meet the eligibility criteria:

- Must be at least 16 years old
- Must work in a role that also requires a DBS certificate
- Do not already hold a Child Protection/Safeguarding certificate issued by UK Sport, UK Coaching, the LSCB, The FA, the NHS or any other Government organisation such as the School's authority or Social Services, that is acceptable to the ASA/Swim England. Any candidate who has '1 of the above' will not qualify for NASA funding.

If you are unsure about the validity of a certificate already held by a candidate then you should contact the ASA/Swim England - jenni.dearman@swimming.org.

Grant Aid will be paid retrospectively to the Club (not the Candidate) after confirmation by a Club's Office Holder that the Candidate has completed the minimum service time required – 6 months for all applicants. This is calculated from the date on the Candidate's certificate.

The amounts shown above are maximum amounts dependant on the cost of the course and other funding applied for/received. Total funding should not exceed the cost of the Course. Please note that only the online UK Coaching renewal course is acceptable to the ASA and currently costs £16.79.

Candidates should download and complete their form as soon as they have completed the course and received their certificate. This form and a copy of their certificate should be handed to their Club's Training Officer/Secretary.

After the minimum service time has been served, the Club should complete their form (1 per course is sufficient) and declaration and send it, together with the Candidates' forms and certificates, to the NASA Treasurer for processing.
